This is in response to the Commission's letter dated 07/31/2014 in reference to the June Monthly Report (05/01/14-05/31/14) relating to the following issues:

- 1) Please be advised that the Committee confirmed Mr. Maurice Pinto's US Citizenship and has his passport on file.
- 2) The entry to British Airways was a credit on the Committee's American Express account and not a voided check. This credit appeared in an earlier billing period than the charge to the vendor. The charge can be found on the Committee's July Monthly Report.

Please note that Committee did not receive this RFAI electronically when it was sent in July and only became aware of it after noticing it on the FEC's website. The correct email address is on file with the FEC and we have received other correspondence so we are unaware why this letter was not received. If you have further questions, please contact the Committee.
